AIR LANCE "Easy Push" c/w Japan Plug

The tried and tested Krontec LL-03 fitted with Japan Style Plug Fitting ready to plug in to the Race Coupler RDP20500021R for maximum flexibility!

This is by far the most practical and durable air lance "Wand" for motorsport. Made in Germany to strict quality standards the LL-03 lance is standard on all Porsche 997 Cup cars, along with many other products we distribute, including air jacks, car valves etc...

PLEASE NOTE our supplied product comes with the Dash 6 male adaptor in the end of the lance ready to fit to your hose, this is unique to our supply, and ensures you get everything you need right out of the box!

We are sure our competitive prices will ensure you get the best products at the best prices.

We also carry service kits for this lance in stock!
