

KRONTEC RFC GENII HANDLE KIT ASSEMBLY

Brand: **Krontec**

Product Code: **RFC-89-K-GT3R-GII-HK**

Swap the existing handle with the new GT3R GenII Handle.
Use the bolts and nuts supplied to tighten the assembly firmly.
Take care to avoid any damage to the PTFE bellow!

KRONTEC RFC GENII HANDLE KIT ASSEMBLY

This is the Handle Kit for all RFC-88 and RFC-89 refuelling couplers, and allows you to convert your existing coupler to fit the latest Porsche GT3R GENII vehicles where you have to be able to get into the bonnet nipple (receiver) that sits on an angle. You get 2 x Grip assemblies, 6 bolts and 6 nuts to be able to retro fit the assembly, every part you need is included!
