

## RFC NIPPLE WELD RING - ORING

**Brand: Krontec**

**Product Code: RFCWELDNIPRINGORING**

## RFC NIPPLE WELD RING - ORING

This Oring is used when fitting the Part# RFCNIPPLEWELDRING to the Nipple part# RFC-88-N when you are using it for fitment to a dump churn.

You also need 6 x mounting screws, OR you could simply order the RFC-88-N-DCK which has all of the parts needed in one KIT!
