

Ledlenser H19RCore Rechargeable Headlamp

Brand: **Ledlenser**

Product Code: **ZL502124**

Ledlenser H19RCore Rechargeable Headlamp

The LEDLENSER H19R Core is the ultimate in portable light innovation and engineering.

The unique Fusion Beam light pattern combines the power of two lenses and enables individually controllable flood and spotlight with intuitive operation. The H19R Core features a red light to preserve night vision, a swivelling lamp head and removable battery with magnetic charging. This headlamp is well protected against dust and water, a perfect match for any challenge.

Light Functions

Power - high light output for every situation

Mid Power - medium light output for every situation

Low Power - economical light for long battery life, glare-free reading and working

Boost - short-duration maximum power for more brightness

Switches

Multifunctional Switch - multi-function switch for quick and easy control of individual light functions

Special functions

Fusion Beam - individually adjustable flood and spot light provide excellent illumination

Red Light - to preserve night vision

95 Degrees - of lamp head rotation

By using rechargeable batteries, you're not just protecting your wallet, but also the environment. Regular batteries, after all, require up to 500 times more electricity to produce than they can release themselves. Combined with the energy consumption for transport and storage, the CO2 emissions are huge.

Core Series

For home and life. Designed for a wide range of applications for everyday or on the job use. Equipped with Ledlenser's latest technologies and great functionality, the Core Series gives people the opportunity to experience the best parts of our lighting products in everyday life.

LED Configuration: 1 x Xtreme LED

Luminosity: MAX 3500 lm - MIN 200 lm

Lighting Range: MAX 300 m - MIN 80 m

Battery Duration: MAX 20 h - MIN 4 h

CRI: 70

Colour Temperature: 6500K

Battery and Casing

Battery: 1 x Li-ion 7.4V

Battery Capacity: 4800 mAh

Water Resistance: IP68

Rechargeable: Yes

Height and Weight

Head Diameter: 68 mm

Weight: 374 g
